The Rys Chronicles continue as ShanBis rebellion grows. Queen Onja, hoping to kill Shan before he can lead his armies against her stronghold, sends her Kezanada agents to hunt him with enchanted weapons. Onja also begins to teach another rys in the ways of battle magic to aid her in the coming war. Dreibrand Veta, now ShanBis general, works hard to prepare their armies for the invasion of the rys homeland. Miranda struggles to be patient while her children remain hostage in OnjaBis household, and she dedicates herself to Shan and his rebellion even when it means breaking the strict patriarchal traditions of the larger culture. Once the armies begin to march, everyone must endure the many horrors of war. Tempers fray and ambitions flare as the costs of attacking Onja mount. But Shan stomachs his guilt over inspiring such conflict and finally challenges Onja in a duel of magic. To defend her throne, Onja summons her magic secrets that have been buried since ancient times.
