9780945383529, Teach Services, 1993

In this book, Vaughn Allen draws on more than a decade of personal experience in ministering to "those possessed by evil spirits." He writes with conviction that restoration of this long-neglected aspect of the gospel ministry is more needed now than ever--a need which will become even greater as we draw nearer to the second Advent of Christ."Souls possessed with evil spirits will present themselves before us. We must cultivate the spirit of earnest prayer, mingled with genuine faith to save them from ruin, and this will confirm our faith. God designs that the sick, the unfortunate, those possessed with evil spirits shall hear His voice through us."
